

Mohamed Ali Hassan

Backend .Net Developer

Mohamed.Ali.10722@gmail.com | +20 109 711 0295 | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

SUMMARY

Computer Science graduate and Backend .NET Developer with experience building RESTful APIs using ASP.NET Core, Entity Framework, and SQL Server. Passionate about designing scalable backend systems and writing clean, maintainable code. Seeking an opportunity to contribute to real-world projects while continuing to grow as a backend developer.

EXPERIENCE

APPLICATION SUPPORT ENGINEER (.NET / SQL SERVER)

TABIB SOFT – MEDICAL SOFTWARE SOLUTIONS

NOVEMBER 2025 – PRESENT

- Provided technical and application support for clinic and medical center management systems developed using .NET technologies.
 - Installed and configured medical software systems for clients on local machines and Windows servers.
 - Managed and troubleshooted SQL Server databases, including backup, restore, and resolving connectivity issues.
 - Deployed and configured application environments for new clients and system updates.
 - Diagnosed and resolved technical issues related to application performance, database configuration, and system setup.
 - Conducted on-site visits to clinics and medical centers to install systems, troubleshoot issues, and ensure smooth operation.
 - Collaborated with development teams to report system bugs and assist in resolving technical problems.
-

TECHNICAL SKILLS

- Programming Languages
C#, Java, JavaScript
- Backend
ASP.NET Core, REST APIs, Entity Framework, LINQ
- Frontend
HTML, CSS, ReactJS
- Database
SQL Server, MongoDB
- Concepts
OOP, Data Structures
- Tools
Git, GitHub, Docker.
- Basic Knowledge
Spring Boot, NodeJS

PROJECTS

Task Management System – ASP.NET Core Web API

- Developed a RESTful API for managing and tracking team tasks within a software development workflow.
- Implemented JWT-based authentication and authorization to secure API endpoints.
- Designed a KPI-based employee evaluation module allowing managers to assess developers using configurable KPI checklists and scoring.
- Built a task review workflow where testers can return tasks with issue checklists and evaluation scores.
- Integrated Firebase Cloud Messaging (FCM) to send real-time notifications to users when tasks are assigned, updated, or reviewed.
- Implemented PDF activity reports generation for user sessions and system activities.
- Used Entity Framework Core and LINQ for efficient database operations.
- Designed and managed relational database schemas using SQL Server.
- Deployed SQL Server database to MonsterASP hosting environment and configured remote connection with the ASP.NET Core API.
- Live Demo: [Website](#), [APP](#), [GitHub Repo](#)

Book Store Website – HTML, CSS, JavaScript

- Developed a responsive book store website UI for browsing and exploring books.
- Designed interactive pages using HTML, CSS, and JavaScript.
- Implemented dynamic features such as book listing, search, and category filtering.
- Focused on responsive design and user-friendly navigation for different screen sizes.
-

Pharmacy Management System – Systems Analysis Project

- Performed requirements analysis for a pharmacy management system.
- Designed Context Diagram, DFD (Level 0–3), Use Case Diagram, and Activity Diagram.
- Modeled system processes for sales, purchases, stock management, and reporting.
- Created a Data Dictionary defining system entities, inputs, outputs, and data stores.

INTERNSHIPS / TRAINING

React Web Developer Intern – Digital Egypt Pioneers Initiative (DEPI) | (April - October 2024)

- Completed 164 hours of training in modern web development technologies.
- Built web applications using React.js, HTML, CSS, and JavaScript.
- Used Git & GitHub for version control and collaborative development.
- Learned cloud computing, Docker containers.
- Developed a full-stack project applying modern development practices.

EDUCATION

- **Bachelor of Science in Computer Science**
- Faculty of Science, Menoufia University
- Graduation Year: 2025

SOFT SKILLS

- Communication.
- Team Work.
- Attention to Detail.

LANGUAGE

- Arabic: Native
- English: Good

PERSONAL INFORMATION

- Military Status: Exempted.
